

# SPSC Events RSVP Guide

The planning of SPSC events is challenging. The cost of food has increased significantly. That is why we have decided to make RSVP mandatory. Please login to our website ([www.spscanada.org](http://www.spscanada.org)). If you have not registered before, then you need to register first. Please see another document, "SPSC Member Registration Guide Ver 2" for website registration. Let us take the Holi Event as an example. It will be slightly different depending upon the event.
